SKILLS

Python Expert	Django Intermediate
JavaScript Expert	Html Expert
CSS Intermediate	SQL Intermediate
Machine learning Intermediate	

STRENGTHS

- STRONG VERBAL AND WRITTEN COMMUNICATIONS
- RELIABLE AND CONSISTENT
- Committed to Life long Learning
- Team Building

LANGUAGES

Englsh Proficient	Telugu Native
Hindi Intermediate	

HOBBIES

- Video Games
- Coding
- Cricket

EDUCATION

AVANTHI INSTITUTE OF TECHNOLOGY

Master's in Technology VLSI

RAGHU ENGINEERING COLLEGE

Bachelor's in Technology Electronics and Communications Engineering

SRI Y.V.S AND B.R.M POLYTECHNIC COLLEGE

Bachelors in Technology Electronics and communications engineering

PROJECTS

Portfolio website Using Django, Html, CSS and JavaScript (web development)

<http://iamdsg.herokuapp.com>

I used Django as backend and Html, CSS and JavaScript as frontend

Car Price Prediction (Machine Learning)

<https://iamdsg.herokuapp.com/cars>

The main object in this project to predict the used car price. I used Random Forest Regression to build model. Check the deployed web app(above link) to see how it works

Shopping Mall Analysis(Data science)

<https://github.com/saiganesh-d/MALL-analysis>

In this data science project, I analyzed shopping malls in my home town using k-means clustering and predict the best place to start a new shopping mall in city

Hydvik Project (webapp For my startup)

In this Project, I created a web site using WordPress for my startup called Hydvik. It is a Online services website

CERTIFICATIONS

IBM's Data Science Professional Certificate

IBM

As part of this certification, I learnt **data science tools, Data Science Methodology, python for data science ,Databases and SQL for Data sciences,Data Visualization,Data analysis ,Machine Learning with python** and did a capstone project.

I learnt overall knowledge about Data science

CS50W: CS50's Web Programming with Python and JavaScript

EDX

As part of this certification I learnt HTML, CSS, JavaScript and Django. I learnt scalability and security of Django app. Please verify Certificate **here**
